We Were Challenged...

...We Made It Happen!

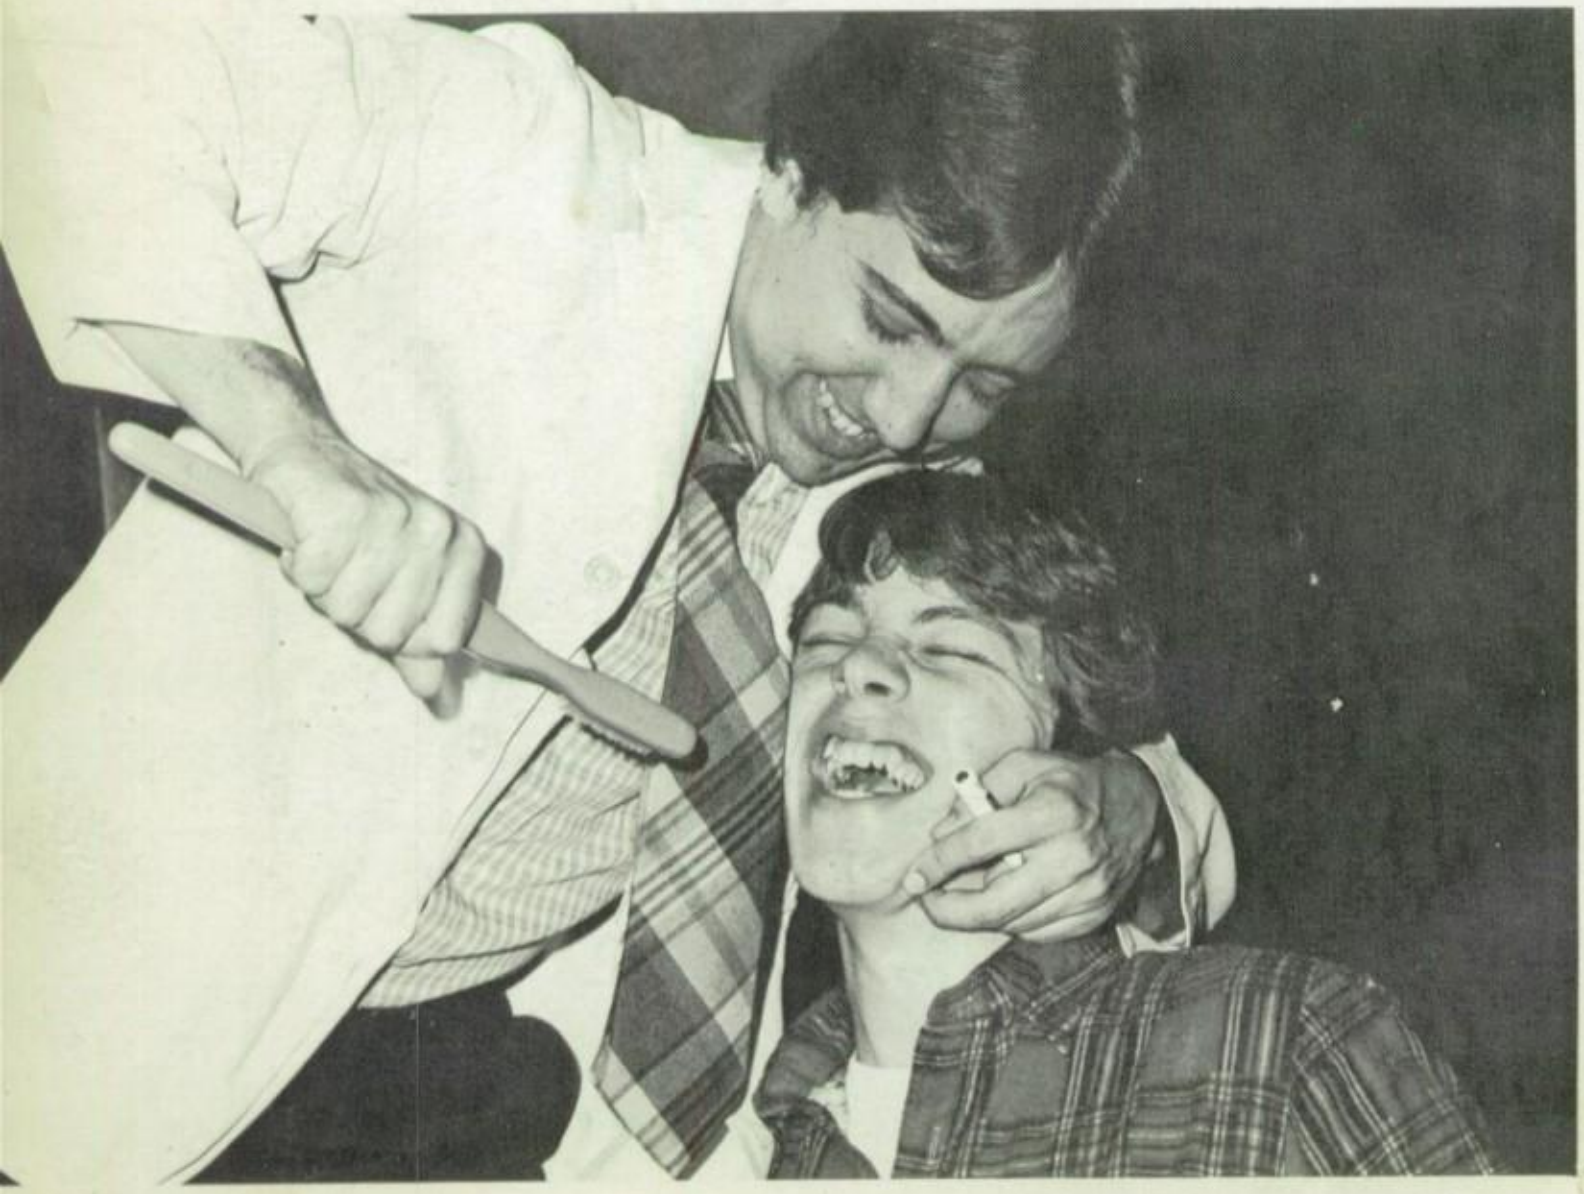
X-RAY 1980

Wellston High School Wellston, Ohio 45692

At the beginning of the school year, members of the faculty and students of WHS were challenged by our new administrators to "make it happen" in the year to come.

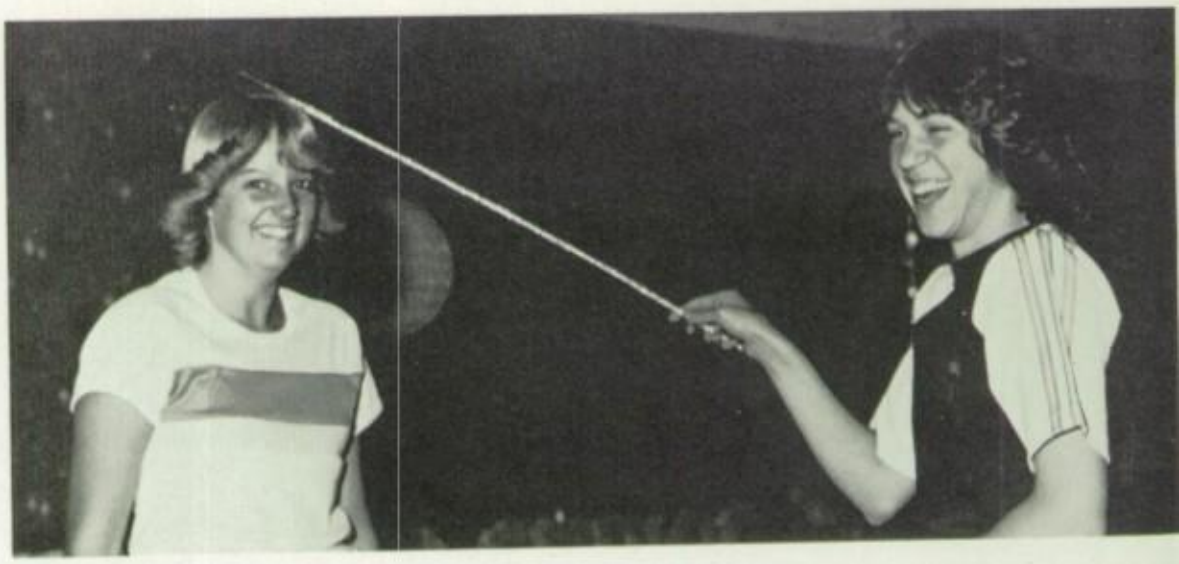
The purpose of this year-book is to illustrate what we, the students and faculty, of WHS, accomplished.

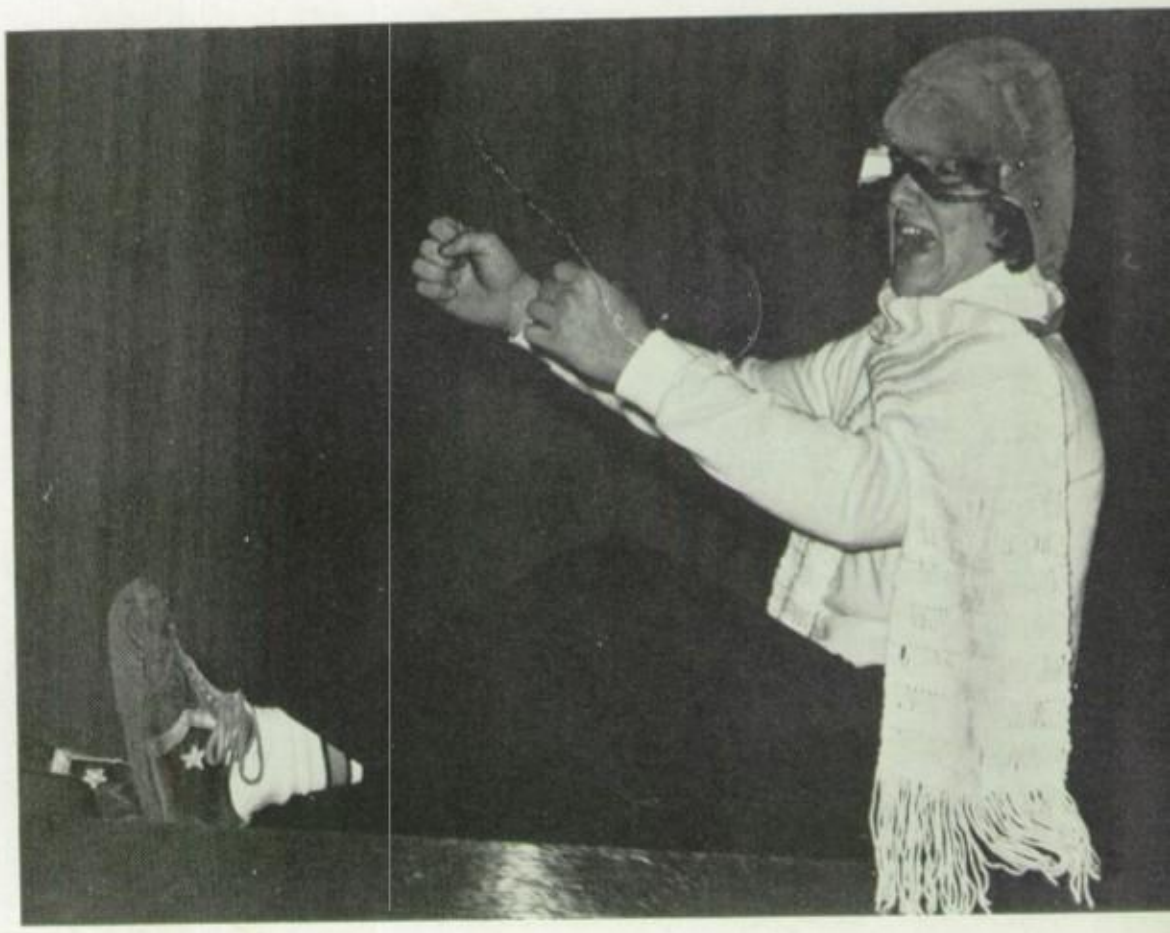
The first six pages were planned to honor our two SEOAL league champs, the 1980 softball team and track team, and the long awaited dream trip for the Marching Rockets.

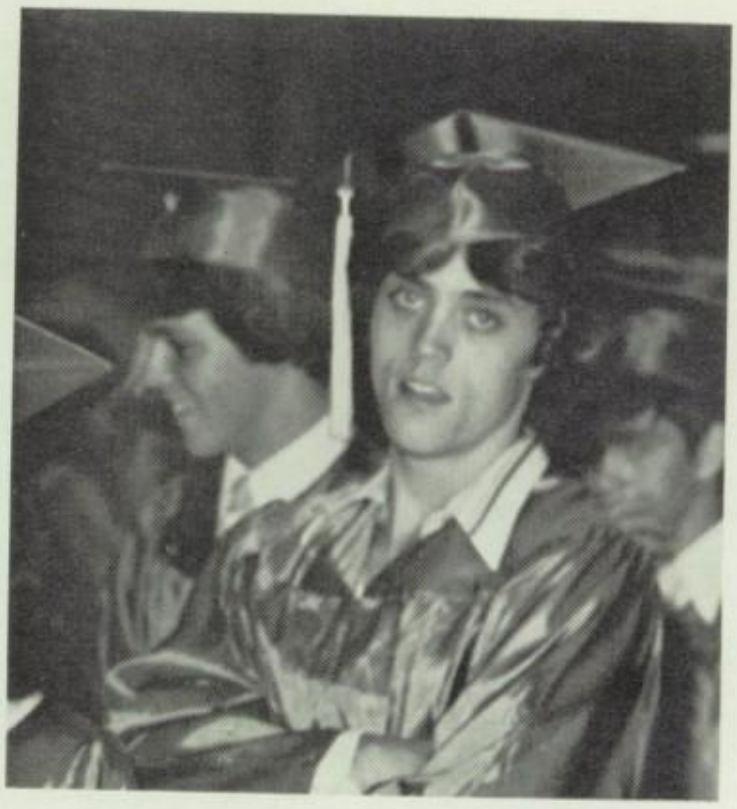


All of the pages represent pictures of what happened throughout the year. Words cannot describe the events and the feelings that are expressed in each and every picture carefully chosen to cover the happenings of the school year.

Someone once said, "a picture is worth a thousand words". In years to come, each of us will realize how much we appreciate a book that has been compiled to store our school memories for endless time.







Look through our book and see for yourself. We were challenged--and we made it happen in 1980.

STUDENT LIFE

WHS Girls' Softball Team Wins SEOAL Crown!

The Wellston High School softball team, coached by Mark Mullen and Sue Oths, Wears the SEOAL crown after defeating Jackson 3-1 Wednesday night at Blamer Field.

The Rockettes had cinched a tie for the coveted title last Thursday by virtue of a 10-4 decision over Meigs. But to win the crown outright they had to get past SEOAL and county rival Jackson.

The game was close. Jackson had the tying run at the plate in the final inning with two out. The Jackson batter popped a high fly ball between shortstop and second. . .Lori Vickers drifted back from her shortstop position to make the catch -- Brenda McFadden moved in from center. . .both had their eyes glued to the ball -- just as it plopped into Lori's glove the collision between the two took place, both fell to the ground. . .and there was the ball, still wedged in Lori's glove. The third out was history and bedlam took place as the Rockettes and coaches tumbled onto the field in wild celebration!!

The title was the first ever in the history of the school, and the second spring SEOAL crown for Wellston High School.

And what's a softball team to do by way of celebration when there are no showers to throw coaches in to? They improvise and find the biggest mud puddle possible. One by one head coach Mark Mullen, girls athletic director Nancy Kibler, and assistant coach Sue Oths were escorted to and ceremoniously deposited into the mud bath. One could almost hear the strains of the old song "We will have these moments to remember."

Winning pitcher Mitzi Hatley struck out five of the first eight batters she faced; she had seven strike-outs over-all. She gave up five hits and four bases on balls. Wellston had five hits off losing pitcher Tilda Fannin, who also pitched well.

Sonya Hatten reached first base when shortstop Anne Green bobbled a grounder. Sonya stole second and third and came in on a single by Pepper Staten. Staten scored when Green again committed an error on a grounder which Cindy Bragg hit in her direction.

All of Jackson's outs were strike-outs in the second as Mitzi faced just four batters.

Jackson threatened in the third. Mitzi walked Exline and Sickles singled. Tilda Fannin hit a foul ball that Dawn Vickers caught just as it was ready to go over the fence in Jackson's bullpen. Cathy Marck hit a fly ball to Sonya Hatten; Green hit to Lori Vickers who threw to put out Exline for the third out.

Pepper Staten started the bottom of the third with a single. She was put out at the plate trying to score on a passed ball. Cindy Bragg reached on another error by Green; she came in for Wellston's third run on a double by Hatley.

Jackson's lone run came in the fourth as Perry walked, went to third on an error by Lori Vickers, and came in on a passed ball.

Two Wellston players were left on base in the fifth and sixth. Bragg doubled in the fifth and Brenda McFadden reached first on an error.

1. Cries of jubilation could be heard all over town as the 1980 Softball Team wins the League Championship. 2. Mitzi Hatley slides into base on a very close play. 3. SOFTBALL TEAM: Row 1: Left to Right: Coach M. Mullen, Coach S. Oths. Row 2: C. Bragg, S. Hatten, M. Hatley, P. Staten, L. Vickers, B. McFadden. Row 3: A, Oths, D. Howe, D. Vickers, L. Patton, B. Potts, K. McFadden, M. Spencer, K. Mullen. 4. Catcher, Pepper Staten, covers home plate during a play. 5. Sonya Hatten eyes the ball, and swings level for a power hit that's hard to beat.

22

3

5

6

1. Cindy Bragg swings through for another powerful hit. 2. Coach Mark Mullen congratulates Lori Vickers as she scores another run. 3. The Four Stooges: M. Spencer, L. Potter, B. Potts, K. McFadden. 4. Senior pitcher, Mitzi Hatley sails the ball across the plate to her opponents. 5. Sliding into safety is Mitzi Hatley. 6. Kim Mullen attempts to beat the ball to where she is headed.

WHS Track Team Wins SEOA

BY SIS BAKER

The Rockets arrived at Ironton High School early Saturday morning, the first of the eight SEOAL track teams to reach the site of the annual league meet. It couldn't have been a nicer day -- spring had surely arrived; the sun was warm and inviting; and Ironton's new eight lane all-weather track facility was in readiness for the big event. On display was the three-foot high first place trophy, gleaming in the sun, to be bestowed to one team later in the day proclaiming them the SEOAL champions.

At approximately 4:15 p.m. the Rockets arrived back in Wellston -- thrust out the window was this coveted first place trophy -- horns were blaring, and the track team members were shouting out the fact that they had indeed won this manificent trophy . . they were forever the 1980 SEOAL Track Champions -- and the spring day of May 10, 1980 had been indelibly stamped on the minds and memories of each and everyone of the Golden Rockets team, champions one and all.

The track squad of head coach Brian Lintala and assistant coach Paul Blankenship had obtained for WHS the first outright league championship since 1957 when the football team of coach Joe Malmisur had won the title. It is the first-ever track title for Wellston, who nipped Athens by one point to win the crown. The Rockets tallied 104 points while Athens had 103. Third place went to Waverly with 84, while Ironton was fourth with 76. Logan was fifth with 56 followed by Gallipolis 44½, Jackson 23 and Meigs 5½.

According to Coach Blankenship, the usual unflappable Coach Lintala jumped six feet straight up in the air when the official results were announced.

"My hands started to shake at the scratch meeting," admitted Coach Lintala. Ironton unfortunately lost four of their regulars - Gabriel Lewis, Terry Royal, Guy Thomas, and Jimmy Morris - who quit the team Friday. The action was reportedly linked to an awards assembly at the school and not an action against Ironton Coach Lynn Schrickel.

"When the scratches were made I knew we had a chance at the title," Coach Lintala went on. Ironton had won the title for the past three years and seven of the past eight.

"It was going to take maximum efforts by everyone on the team to win it. Everybody was going to have to reach down and make a final supreme effort -- and everybody did," he added.

He cited examples. Mike DeStephen in the 300 low hurdles faltered in his take off, had a bad start, then collected himself and charged over the hurdles, not only winning this event, but setting a new SEOAL record in the process with a time of :39.0, bettering the mark of :40.3 set last year by Rick Conley of Waverly. Conley, who placed second this year in :40.2, had won the event each of the past two years.

DeStephen earlier in the meet had seen Conley picked ahead in a near photo-finish at the end of the 110 meter high hurdles, a judges' selection that was not disputed by Wellston. Timers showed Conley with a mark of :16.4 and DeStephen at :16.44 in this event.

The 100 meter dash was another close finish, but went in Wellston's favor as Jerry Patton was declared the winner with a time of :11.7 ahead of Athens; Brian Lavery, also clocked at :11.7. Patton also became the only SEOAL participant to win an event for four straight years as he once again walked off with the gold medal in the long jump, this time with a leap of 21'.

Sophomore Barry Peters also came up with maximum efforts, placing second in the long jump behind Patton with a jump of 20'. Peters then did nearly the impossible, earning second place in the triple jump in his first-ever competition in this event with a distance of 39'3¼".

Wellston's 400 met relay team of Patto DeStephen, Greg Ma tindill and Tim Rober made the circuit with ne perfect baton exchang and became SEOA record holders in th event, winning it in :45. erasing the mark of :46 set by Ironton's team la year.

"When you win by on point, you know ever point counts tremen dously," commente Coach Lintala. "Mik Massie really cam through for us in the 20 meter dash. We've ha trouble with this event a year, and Saturday Mik reached down an qualified for the final then placed fifth in th finals with his season be time of :24.6."

Massie also placed fourt in the 400 meter dash wit a career best time of :53. while teammate Da Lockhart was also puttin it together heart and so to take second with a tim of :52.5. Lockhart ha another second plac finish in the 800 meter ru with a time of 2:03.6.

Tim Roberts in the sh put threw his best-ev toss of 44'6" to take fif place for the Rockets, an Scott Kibler, facing som very stiff competition i the mile run, cinched thir place and established new WHS school recor time of 4:33.5. Kibler ha earlier in the season se the old record of For Conley, a mark of 4:3 into retirement.

The final heroics of th day, however, were mad by the mile relay team Going into the final even of the meet, Wellston ha collected 94 points, whil Athens stood at 97. It wa a "do or die" moment fo the foursome of Massie Roberts, Lockhart an DeStephen. They had t win it. Athens had t come in no better tha third place for Wellston t win the title. And th WHS team came throug with a first place clockin of 3:37.3 Waverly' anchor man caught th Athens runner with 3 yards to go, an Waverly's second plac finish left Athens on point shy of Wellston -- the day was done, and th

Wellston's Top Ten Sen

Top scholars of the graduating class of 1980 were announced today by Wellston High School principal Tom Baker.

Dawn Swingle was named valedictorian and Bev Mahle salutatorian. Ken McCloud did not submit a photograph for publication.

DAWN SWINGLE

Dawn Lyn Swingle, age 17, is the daughter of Mr. and Mrs. Dean W. Swingle, 265 S. Wisconsin Avenue, Wellston.

Dawn's hobbie include reading, cheerleading, cooking, jogging, and all outdoor activities. Dawn was Rotary Senior of the Month of September. She is an active member of the Trinity United Methodist Church in Wellston where she has been the Youth Representative to the Administrative Board and Secretary and Treasurer of the Youth Fellowship.

Dawn is also a member of the Society of

Maerker, Montgomery, Settles Named To All-Conference Team

Seniors Rick Maerker, Jeff Montgomery, and Lowell Settles were named to the ALL-SEOAL baseball squad selected Sunday by the league's

with a 1.52 ERA. He is the only pitcher in WHS history to twirl two no-hitters. This sesaon, Maerker has fanned 89

As a frosh, he hit .294, as a soph. .309, and as a junior .315.

Montgomery, an all-state football player, is batting

sophomore.

At every point dur season, Parsons among the Rocket in every offe category. The junio sacker was one o reasons Wellston w games, the most b team in the sch history.

Jeff Montgomery Signs With Herd

Jeff Montgomery, a two-time all Southeastern Ohio Athletic League (SEOAL) selection from Wellston High School, has received a grant-in-aid to play baseball at Marshall University. The signing was announced by Thundering Herd head baseball coach Jack Cook.

Montgomery, a pitcher-shortstop at Wellston, will be used strictly as a pitcher at Marshall. The 5-10, 160-pound right-hander has compiled a 7-3 recor with a 1.68 E.R.A. as senior. In 58 innings, h has struck out 102 batter

in Huntington, W. Va., signed with the Thun-dering Herd.

Montgomery, the son of Mr. and Mrs. Tom Montgomery, will play in two post season all star games, the North-Soutl game at Columbus and all-district affai Portsmouth.

Coalton Jr. High M

To Wellston This F

Around 80 Coalton junior high students will attend Wellston junior high next year as a result of a Wednesday night decision by the Wellston Board of Education.

Superintendent C. I. Jones told the board he strongly recommended the move of Coalton seventh and eighth graders to Wellston because there is

$600 savings in busing alone, and that it would help the schools come closer in line with state standards and conserve staff. He also said the Coalton students would then have better access to scheduling, to a library, to the career planning program, and would have more physical education and instrumental and

Wellston Pride Awards Plaque To F.F.A. Chapter

Plaque was presented to he Wellston chapter of he Future Farmers of America by the Wellston Pride organization this week in gratitude for the volunteer work done on hem project by the high school students who are FFA members.

Wellston Pride also elected new officers for he coming year, and made plans for a membership drive to raise appr need of t pro pro the city.

Mike Stroth, Wellston, was elected president; with Greg Yates vice-president,

Stroth and Yates are employees of the McNally Pittsburg Corp.

The plaque was accepted for Stroth by Bruce Kuntz, a school board member and it stated: "This plaque is awarded to the WHS chapter of FFA for outstanding services to the citizens of Wellston--Wellston Pride Inc., May 27, 1980."

Wellston Pride is made up of some 22 community

planted with trees and grass, and has been recently groomed by members of the city's street department crew.

Third McKinniss Earns Scouting's Eagle Rank

Chris McKinniss will be following in the footsteps of his older brothers when he becomes an Eagle Scout during the Troop 57 Court of Honor ceremonies Saturday night at Sts. Peter and Paul Church.

Chris, the youngest son of Mr. and Mrs. Bernard McKinniss, is the third son

Troop 57's first back-packing trip, attended summer camp and made the trip to the National Jamboree in 1977 with the troop.

Chris has received the God and Country emblem and is looking forward to earning the God and Life emblem when he becomes old enough to qualify.

WHS Student To Tou Europe In Honors Ch

Stephanie Fain, 16 year old daughter of Mr. and Mrs. Robert Fain, Rt. 1, Wellston has been selected to membership in the Ohio Honors Chorale Concert Europe Tour under the direction of Robert E. Moore of Oxford, Ohio.

This exclusive group contains 45 voices selected from throughout the State of Ohio by personal interview singing, and sight-singing.

Stephanie's music experiences are varied. She has studied piano for 10 years and is a member of the Wellston Rocket Band where she plays the frenc horn. She is a two

capital of the Duchy of Liechtenst morning concert as p the worship servi planned in Innsb Austria.

They will travel Salzburg to view mighty Hohensal Fortress, Mozart's place and St. P Church. July 1 th find themselves i Austria to vi known the its contri A c pres

Schools Will Dismiss Early On Wednesday

The Wellston City Schools are embarking on a new approach to curriculum revision during the 1979-80 school year. All teachers from a specific grade level or subject area will meet five times jduring the year to review, update and/or completely revise the curriculum.

In order to accomplish this goal, school will be dismissed early five times during the year. The first early dismissal will be on October 17. Dismissal by buildings will be as follows: Bundy 12:30.

SCHOOL BOARD IN REGULAR S

The Wellston City Board of Education met in regular session Monday night at the Prins building.

Supt. C. I. Jones was not present at the board meeting as he was on vacation.

The treasurer's report showed a balance in the general fund of $40,015.25. The total of all funds is $135,555.34 said Treasurer Doris May.

The bills presented were approved when the money becomes available.

The contract for the aides working under the federal programs was terminated. This has been the standard procedure for the past few years where the aides employment is concerned.

The board approved the

WHS Principal Reviews Rules

BY BETTY McADOW

An outline of Wellston High School's new programs, rules and procedures was given by high school principal T Baker at Monday nig board meeting.

Baker had been aske report to the board how absentism is chec and the frequency of s halls after parents requested the study.

Regarding absentism, Baker said there are four steps which the school will take. When a student has missed five days a paper sent to the parents t them know. Bake this is done for all and is only for information misses 10 form is askin ne

control and it is out of the school's hands.

Baker noted that the school had 94 percent attendance before the flu

although of thre the ro

d t e in ay, incre irements or reduce of periods in

Baker noted that third solution was '

Coalton S Again C

ems ool Board

DOW ool roof d a plan the move of junior high ts to Wellston High ool will be discussed at March 5 meeting of the Wellston Board of Education.

The items were to be discussed at Monday night's meeting, but the board instead tabled the items until Superintendent C. I. Jones could be in attendance. The Monday night meeting will reconvene next Wed-

Essman for a dental program for junior and seniors who have severe dental problems. The dental work will be funded through a federal program.

A governor's proclamation recognizing the Wellston Marching Rockets achievements was read and acknowledged by the board.

The board also:

Double Cola

After examining the entire year from start to finish, you can see that we, the students of WHS, met the goals that were set forth by the administration.

We were challenged and we made it happen by growing into young responsible adults. Proof can be found in the pages of this book for years to come about our scholastic, athletic, and social accomplishments. We can be very proud of the goals that were met and the standards that were set.

Now that the year has ended and all of our memories have been stored for years to come, I sit back and think of all the people who have helped me to complete another yearbook. Without them this task could never have been accomplished. I would like to take this opportunity to acknowledge these people for their time and moral support. "Thank you" for making it happen!
